In March 2018 the developers of Coin Master announced plans to expand upon "Coin Master" and other games they had previously worked on. The goal is to develop a wide range of games, focusing on Card-based RPGs, that will be released across a variety of platforms in both Android and iOS formats. They also confirm that they are working on "Coin Master 3", which will be based on the IP for Disney's upcoming animated film "Wreck it Ralph 2".",

Fun but.. by The redhead cat on 2015/11/24 00:04 I love this game but the only thing is that ads keep popping up when you're just trying to play. I have a iPad so it's not a small screen and I know it's not my WiFi because all other games don't have that problem. It keeps happening when I'm in the middle of playing, which makes me lose and I just hate that part about it.",

In 2015 Moon Active launched a Kickstarter campaign to help fund the development of "Coin Master" on mobile platforms. It reached its target and the developers also received additional funding from a Jewish organization to support their work developing "Coin Master". It was reported that "Coin Master" had reached #1 in United Kingdom's paid apps chart by August 2015.",

On December 19, 2018, Moon Active released Coin Master: Puss in Boots "(Kasegi 2: Bukimi no Tane)" for Android as a free app (it is not available on iOS). This "Coin Master" title features an updated version of the popular video game "Puss in Boots". The game was released in Japan initially as part of Moon Active's "Coin Masters" series. However, this version of the game was never released outside Japan. This version contains microtransactions which can be removed by paying \$4.99 for an ad-free version. The user review for Coin Master: Puss in Boots is composed of 4.5 out of 5 stars (out of 1 vote) from 1 user, with a user rating of 5 out of 5 stars (out of 1 vote).",
