On December 10th 2016, ROBLOX released another update where players could join groups and wear clothes representing their group on their backpacks. However, yet again it was abused by many users who used the feature for monetary gain. As a result of this, ROBLOX removed the functionality and shut down the "ROBLOX Backpacks" section on their website. On May 19th 2017, ROBLOX updated its backpacks feature which allowed players to join groups.[77]

This is definitely one of the best ways that anyone out there can use in order to get free robux on roblox. This is because it does not require any complex process or setup, as everything will be provided for you on a plate when you decide to start using this tool. This should be more than enough for anyone to use!

Rated 3 out of 5 by Anonymous from Fun Originally got a free trial so I could make my own story but I can't access it now and don't know how to get back in, other than that its a great game with lots of fun to play and its really cheap

On July 11, 2018, the "Custom Games" section of the website was temporarily removed due to a bug that caused players to be unable to see their own creations. The section was returned later that day.

One great option is to use your own money to buy robux. This may not seem like an appealing idea at first, but it can provide you with a lot of benefits that are easy to obtain. If you have extra money on your hands, then you should definitely consider investing in robux. Once you have collected enough virtual currency, stop using it and wait for the value of robux to increase over time. With the amount of time that passes by each day, you will see a good return on investment within a few months.
