It's a really good game by Smooshie on 2019/01/13 17:05 The game has great rewards and I like how it helps with your brain and teaches you math which is pretty cool because it shows you some cool patterns. The problem with this game in my opinion is that there are glitches in the app where if you get attacked your back gets "stuck" to where it can't move away from there. Also I think in my opinion of the game after you get used to it and learn all the moves it starts getting easier and boring. Also with the coins, I feel like there should be some free ways to make more money without having to pay real cash. Like when you log on or maybe even watch some videos for more coins. Overall it's a really good game.",

Another version of Coin Master was also created by Mojang in 2015, which is available to players free of charge via Minecraft Realms. This version primarily includes the same gameplay aspects seen in the original (but with some graphical upgrades, and 3D style). The game uses texture packs to resemble the look of the original versions.",

It's okay by Girl.xox on 2015/12/28 20:47 This game is extremely addicting and fun. It's just too bad that there are ads all over the place, along with the fact that you can only play 1 game at a time instead of being able to play multiple games concurrently. Way too many ads and it takes too long for me to get through each one. I'd give it a five star rating if it didn't have so many annoying ads and you could play more than 1 at a time.",

Great idea but... by Crhbxxra on 2015/06/20 20:56 I like this game but when you are done with your board there is no reason to go back to it and play again. This makes it really difficult to get more coins. The game should have a reward system that comes in every few days or something. I feel like I am just wasting time playing the same puzzles over and over without reward.",

The online version of "Coin Master" was featured in a post on the website Kotaku in which it was described as a "decent distraction". The iOS version of "Coin Master" received an average score of 3.5 out of 5 (out of 46 ratings) with the users giving it an average rating of 4.3 out of 5.0. The Android version received an average score of 3.6 out of 5 (out of 7 ratings) with users giving it an average rating of 4.2 out of 5.0. The Coin Master series has been met with generally positive reception from users. The iOS version of "Coin Master" has been downloaded over 4000 times and has a rating of 4.1 out of 5.0 on the App store.",
