Best game ever!!! by Vampiregirl134567 on 2015/03/08 07:48 This game is amazing and super fun! It's very addicting when you're bored. The only problem is that when you're playing the coin challenge you can't move to the next level until you complete a certain amount of puzzles, which means that when you complete it, you can't play it anymore. Other than that it's a great game :)",

Good game but... by 1-2-3! on 2016/12/22 00:18 I really like this game. It allows you to come back to it later with a new board of squares that have a set pattern. In this case, all the white squares are filled in and you have to find all the words that fit in the pattern. It's really fun, although sometimes confusing as you try and decipher what is or is not a word. The only complaint I would have is there are SO many ads. They are annoying and it takes away from the flow of the game. They are also very small.",

Raiding by jdjejbndndjkd on 2018/03/28 18:34 Ok so I love the game but I was playing in the classroom and I got attacked by someone else while I was playing it. And I lost all of my troops along with half of my castle. I didn't make it through the game to see if my troops came back but it was just devastating. If you can make the game a little more fair like your secret messages and if there is a new army system that is way more fair. And if you do not want people to attack while you are playing. Then maybe put an option where we can play one by one in our own kingdoms or have a leader board or something like that? I really love the game but I think some stuff needs to be changed. Thanks if you can take into consideration.",

This is a just fan site, we have no official relationship with Coin master game or any of its creators/developers. All trademarks belongs to their respective owners as well. We're just giving them a place to be used here. We don't claim to own them, we just put the opportunity into place for them. Good for a few hours... by Tenderly18 on 2018/06/07 01:27 I have been playing this game for over 4 years now and I kind of got used to it. But now, it is starting to get annoying. The ads are way too long and I feel like they are just there to draw my attention and make money off of people that like this game. Also, sometimes you don't get the payout you think you do for your tickets or gems. There are some things they really need to work on because otherwise the app gets pretty boring after a while.",
