Noooooo by Binkybunnykitty1234 on 2017/11/02 15:06 There is wayyyy too many ads in this game. It is so frustrating. I lose my lives because of all the ads. I spend money to get better equipment and try to get more lives but then the app glitches and logs me out. Then I am stuck with only a couple of lives left. Then when I go back on the app, it deletes half of my stuff that I worked hard to get, like levels that took me hours and days to complete. I would not recommend this game to anyone."

Good game by Kiyaa on 2018/11/14 17:12 This game is fun and addictive and perfect for passing time but there are some glitches with the game. First off, when an item goes out of stock, you can spend hours or days trying to get back into the item. Secondly, the cheating needs to be fixed. You can see when someone has low health and attack them. They have the option to block you, but they can still win. There is nothing you can do about it. Third, the spells and potions aren't really useful. The spell usually only goes through to your opponent one time so that's pointless. The potions are also very expensive and don't really do much of anything for you. Lastly, I would like it if there were some way to get more coins because when there are special items that cost 1000 or more coins I have to spend an entire day saving up for them. It really gets old once you get more coins than everyone else.",
