The first group of "card packs" was released through United Pixelworkers' Facebook page on August 1, 2016. These card packs were formerly available through a special offer for 33% off the base price. The first card pack was available to those who had already purchased a premium pack in "Coins & Curses 2" and could purchase two additional premium packs for their existing account. For new users it was a one time purchase that could be used across multiple accounts on both mobile and PC versions of Coin Master and Coins & Curses 2. The cards were originally released as an exclusive offer for United Pixelworkers' first anniversary.

In 2014 Moon Active released Coin Master for Android as a paid app. This version of the game is still completely free to play, but the developer decided to introduce micro transactions and ads in order to monetize their efforts.
