Users have criticized Coin Master for its monotony and reliance on making users pay real money to progress in the game. A user review on iTunes complains that it is "just another collect-a-thon with a coin motif". The developer of Coin Master has countered this criticism by stating that they do not believe in "pay to win" video games and hope to provide their users with a fun and engaging experience.",

In September 2016 Moon Active announced that they had signed an agreement with Warner Bros Entertainment to create a mobile game based on their popular animated film, Wreck it Ralph 2. The game is titled "Coin Master 3: Wreck It Ralph" and was designed by Moon Active in conjunction with the main production studio behind the film, Walt Disney Animation Studios. The levels of this version are based on locations from the movie including Litwak's Arcade, Sugar Rush and others. The game is expected to be released for Android devices in 2017.",

Good game, needs some fixes. by Munya on 2019/04/06 16:12 It's a very fun game. I have been playing for years, and there are things that you shouldn't have to pay extra money for in the game, such as extra turns if they aren't already included. There are places that you can't craft an item that you don't have the coins to. If they made more places to go to as well as more items to craft, it would be a better game overall. The chat feature is also annoying sometimes. As soon as I open the app, it tells me there are people on the other end of the chat, and since I don't have any friends, I close out of it immediately. It really bugs me how players have different abilities than other players for some reason. I forgot the name of the third thing I wanted to say, but that's all for now. Thank you for reading!",

Noooooo by Binkybunnykitty1234 on 2017/11/02 15:06 There is wayyyy too many ads in this game. It is so frustrating. I lose my lives because of all the ads. I spend money to get better equipment and try to get more lives but then the app glitches and logs me out. Then I am stuck with only a couple of lives left. Then when I go back on the app, it deletes half of my stuff that I worked hard to get, like levels that took me hours and days to complete. I would not recommend this game to anyone.",

Loved this game! by s_only_me on 2018/03/31 15:13 This app was really fun and addictive. I've downloaded many apps but this was my favorite!! It's like a mini version of scrabble or tetris that is easy to finish, so I wasn't always too frustrated when I couldn't get a word right or it didn't fit in the puzzle correctly. I really liked the fact that I could earn coins and buy different game modes and backgrounds. I would definitely recommend this app ",
