Good game but... by mrsam27 on 2016/12/21 18:30 I like the game but there are WAY to many adds! I get them almost everyday and every time I die I get another add. There is no way to skip or turn off them if you want to play with out being annoyed. The guy in the ad that says pay \$5.00 a month and get rid of them is full of crap because I have been trying to find a way to stop getting them since my phone came out and it never worked. If it does when I get the new phone you can bet I'll be deleting this app!!",

"I love this game because anyone can play it, anytime, anywhere. But I just don't quite understand how they are trying to make money. You have these extra lives you win from watching videos or playing other games, but they are not enough unless you spend your actual lives on them through in-app purchases or by downloading another game that requires real money. I would give this game five stars except for the fact that I feel like there's a lot of potential wasted on how they are trying to make money. Hopefully the developers will change their ways. I would love to give this game five stars because the graphics are good, and it is entertaining.",

Too many ads by Pooptart on 2016/08/20 15:40 It's kind of annoying how often you have to watch ads. I mean, an ad after like every two or three levels is fine, but then they also have ads that pop up if you don't choose the right word..and those are frustrating as well. The game itself is addicting and fun, but I feel like it's hard to progress in the game without looking for answers online..",

In January 2016 Moon Active announced that they had signed an agreement with Samsung to develop their tablet version for release in Q4 2016. The game is titled "Coin Master 2" and will be released for Android devices. It will include cards, strategy and RPG elements and will use the Samsung GearVR virtual reality headset as well. The game was removed from the Google Play Store on July 29, 2016 however.",

In April 2016 Moon Active announced they had signed an agreement with Disney to develop "Coin Master 3" for release in early 2017, targeting a Q4 2017 release in the United States and Canada. The agreement allows Moon Active to continue developing "Coin Master" alongside several other titles they have created including "Monster Park", "World War Monster", "Poke Monsters", and others. The press release stated that "Coin Master 3" will feature new 3D artwork, upgrades to the previous versions gameplay and a "remastered" soundtrack.",
