It's okay by Girl.xox on 2015/12/28 20:47 This game is extremely addicting and fun. It's just too bad that there are ads all over the place, along with the fact that you can only play 1 game at a time instead of being able to play multiple games concurrently. Way too many ads and it takes too long for me to get through each one. I'd give it a five star rating if it didn't have so many annoying ads and you could play more than 1 at a time.",

Great game by Big_Doofy on 2014/12/14 21:02 This is the best game ever. It's very addictive and fun to play. I usually play this while I'm bored and waiting for commercials to end during my tv show or when I'm bored. But, sometimes if there is an add, the add doesn't go away until you watch it even if you swipe it away. But other than that this is a great app!",
