The special edition "Humble Coin War" was released through United Pixelworkers' official Facebook page on September 1, 2016 featuring seven exclusive cards from "Coins & Curses 2". The package included four premium packs of cards for use on mobile devices (full version of the game) and two extra packs which were only available through this special offer."

The game's objective revolves around collecting coin cards for use in quests with matches to earn rewards and spin a slot machine that can lead to bonus levels, cards, or extra items in the form of coins or boosts."

"Coin Master" has been a major revenue source for Moon Active, having acquired over 1 million paid downloads in its initial release on Android devices as of December 2015. The game reaches #34 on the top list of grossing apps within the Google Play market. In April 2016 Coin Master was removed from the Google Play store for unknown reasons although in October 2016 Moon Active announced that "Coin Master" would no longer continue to receive updates following version 1.0. The game page on the Google Play store has remained active however."

In 2014 Moon Active released Coin Master for Android as a paid app. This version of the game is still completely free to play, but the developer decided to introduce micro transactions and ads in order to monetize their efforts."

In 2015 Moon Active launched a Kickstarter campaign to help fund the development of "Coin Master" on mobile platforms. It reached its target and the developers also received additional funding from a Jewish organization to support their work developing "Coin Master". It was reported that "Coin Master" had reached #1 in United Kingdom's paid apps chart by August 2015."
