Loving it by Mrs_Dew101 on 2018/07/22 05:18 I wish that I had this game when I was in middle school and they used to make you wait to play all day instead of letting you play the game that you have on you phone. So this game has helped me a lot and I am loving it! And the diamonds are super useful and can help with building up my bakery. The only thing is that sometimes the game doesn't show me what I am supposed to be doing. I try to click a diamond and nothing happens. And then when I go on the internet and check my bakery it shows without me even buying anything! It has happened with so many things like clicking something to take a screenshot and then when I open the app it doesn't take anything of what you should have clicked but instead just shows what you already have on your phone! So please fix that so more people can enjoy this game. Thank you!";
