In 2015 Moon Active launched a Kickstarter campaign to help fund the development of "Coin Master" on mobile platforms. It reached its target and the developers also received additional funding from a Jewish organization to support their work developing "Coin Master". It was reported that "Coin Master" had reached #1 in United Kingdom's paid apps chart by August 2015.",

Overall I found Coin master to be a fairly quick game to play, although it is not as addictive as some of the other games on this site. I would recommend giving it a try for 50 minutes or so and see if you enjoy it before you decide whether to purchase it at all. The game itself is free but there are unlockables such as achievements and costumes which can't be unlocked unless you decide to spend your in-game coins (which costs about \$2 per million coins). You can also still play the free version of the game without spending your coins, but you won't be able to unlock all the achievements and costumes as you progress through the game.",

□ by Kilty1314 on 2017/10/02 00:16 This is such a fun game, and I'm so glad I found this one once again. The graphics are very clear and high quality. The game is easy to play, and the instructions are easy to follow. The adds are not bad at all, as they're not too annoying or intrusive. The game itself is very fun and super addicting! If you download this game, make sure that you get it now! You will love it!!!",

In May 2018 Moon Active announced that they had signed an agreement with Disney to expand upon Coin Master through multiple video game projects including a new mobile title, which was announced to be released as "Coin Master 2: Disney's Wreck It Ralph". The agreement gives Moon Active access to Marvel and Disney movies, characters, and intellectual property. The developer of Coin Master cited the success they had developing "Coin Master 3: Wreck It Ralph" in getting this new partnership with Disney.",

The fourth group of "card packs" was released on November 4, 2016. The card packs are no longer available for purchase and will become exclusive to players who have paid for a premium pack, however the new cards will be shared between both versions of "Coins & Curses".",
