The developers of Coin Master have received several honors for their game. In 2006 they were awarded a "Design Star" from Microsoft as one of "10 innovative games to watch out for". In 2008 the developer was nominated for a Webby Award in the "Best Kids' Website" category.",

On February 20, 2017 an update regarding the Cardboard Mode gameplay was posted on Twitter by Moon Active (the developers of Coin Master). The post stated that the Cardboard Mode had been updated to fix some bugs, specifically when using a device that is not flat and can have a different screen size. This post can be viewed here.",

The current version of the game contains the following features: On June 3, 2016 Coin Master - Cardboard Mode received an update to implement support for iOS devices which included a new background, shutter glasses, cropping and screen rotation. Along with this came a new Cardboard Mode icon to reflect these changes. This update can be downloaded from both Google Play or directly from Apple's App Store.",

In 2018 an ace playing card company called ZenFantasia, which specializes in custom playing cards designed by gamers for gamers, released a set of themed cards titled "CoinMaster Cards." The set was designed by United Pixelworkers and includes the Mystic Mine card from the game.",

Good game but... by 1-2-3! on 2016/12/22 00:18 I really like this game. It allows you to come back to it later with a new board of squares that have a set pattern. In this case, all the white squares are filled in and you have to find all the words that fit in the pattern. It's really fun, although sometimes confusing as you try and decipher what is or is not a word. The only complaint I would have is there are SO many ads. They are annoying and it takes away from the flow of the game. They are also very small.",
