Good by Brenna on 2018/01/12 01:28 This game is pretty fun if you are bored at school or just don't have anything to do your self. It is super easy and addicting, but you should really use the coins because the first time I bought it was only like 20 coins. It was fine until I had to get another one. I thought it was 50 coins, but it ended up being 100 coins. It is a little frustrating but if you have nothing else to do, then this is a great game and you should get it.",

"Coin Master App" has been rated as 4 stars out of 5 on Google Play(4.6) and 4.5 stars out of 5 on the App Store(4.5) for both Android and iOS devices. It has also been rated as 4 stars out of 5 on Amazon(4.17).",

The game's website also has a hit counter that updates every five minutes. The game also tracks player activity by awarding quest coins based on how many games have been played and how quickly they are completed in the app. The rarer a card is used in a match the more coins earned.",

Great idea but... by Crhbxxra on 2015/06/20 20:56 I like this game but when you are done with your board there is no reason to go back to it and play again. This makes it really difficult to get more coins. The game should have a reward system that comes in every few days or something. I feel like I am just wasting time playing the same puzzles over and over without reward.",

I'm love it by Bella fox on 2018/05/17 05:44 This is so fun for me I play it every day and I love it thank you for making such a wonderful game just one question though. They say we need 2,000 coins to upgrade but we only get 10 coins and if we spin 20 times thats the max 200 coins so how can we get more than that? Even though they have a lot of things have no coin is there any way you can make everything cost less coins? But besides that I think this game is great and fun to play with friends. I love it and I recommend it to anyone who likes playing fun games.",
