The developer of Coin Master has revealed that he is working on a "new" mobile game which is not based on any of their previously announced titles. However, a few news outlets have reported that this game is actually "Coin Master 4". This version will also include brand new characters and gameplay elements as well as updated graphics and sound as the development team seeks to keep the spirit of the original games intact.",

The game's objective revolves around collecting coin cards for use in quests with matches to earn rewards and spin a slot machine that can lead to bonus levels, cards, or extra items in the form of coins or boosts.",

The game has been acknowledged for its attempted humor by including references to some real life items such as "Horse Head Oreos" and "Circle of Death" from the video game "Halo". "Coin Master App" has gained notoriety on the Internet for various reasons. One of the main reasons is that the game has a 1 in 4,000 chance of appearing on a player's mobile device. The App's "Coin Master" Twitter account posts new activity and awards every couple of minutes.",

Great game by Big_Doofy on 2014/12/14 21:02 This is the best game ever. It's very addictive and fun to play. I usually play this while I'm bored and waiting for commercials to end during my tv show or when I'm bored. But, sometimes if there is an add, the add doesn't go away until you watch it even if you swipe it away. But other than that this is a great app!",

Addictive by Rachie6666 on 2014/08/27 17:35 I love this game! It's so cool that you can have so many games going at once. You get bonus coins for each one. It's super easy and all I do is swipe my screen and I'm done. It's pretty fun and I love it!",
