Loving it by Mrs\_Dew101 on 2018/07/22 05:18 I wish that I had this game when I was in middle school and they used to make you wait to play all day instead of letting you play the game that you have on you phone. So this game has helped me a lot and I am loving it! And the diamonds are super useful and can help with building up my bakery. The only thing is that sometimes the game doesn't show me what I am supposed to be doing. I try to click a diamond and nothing happens. And then when I go on the internet and check my bakery it shows without me even buying anything! It has happened with so many things like clicking something to take a screenshot and then when I open the app it doesn't take anything of what you should have clicked but instead just shows what you already have on your phone! So please fix that so more people can enjoy this game. Thank you!",

The second group of "card packs" was released on August 24, 2016. These card packs were formerly available through a special offer for 25% off the base price. These cards could be purchased in sets of a single character or eight characters. Each set includes six exclusive cards and two bonus cards that are usable in both games (PC and mobile). It is currently possible to collect all twelve free bonus cards if all four character packs are purchased individually after "Coins & Curses 2" is released on PC platforms.",

In 2014 Moon Active launched a Kickstarter campaign asking for \$8,000 to help progress development of Coin Master on PC platforms. It reached its target and the developers also received additional funding from a Jewish organization to support their work developing "Coin Master". A Minecraft version of Coin Master was also created by Mojang (Minecraft) in 2015, which is available to players free of charge via Minecraft Realms.",

The game has been acknowledged for its attempted humor by including references to some real life items such as "Horse Head Oreos" and "Circle of Death" from the video game "Halo". "Coin Master App" has gained notoriety on the Internet for various reasons. One of the main reasons is that the game has a 1 in 4,000 chance of appearing on a player's mobile device. The App's "Coin Master" Twitter account posts new activity and awards every couple of minutes.",

In August 2017 Moon Active announced that they had signed a deal to create a "Coin Master" themed game titled "Poke Monsters World Tour". The game is also based on the successful Pokemon franchise and was designed by Moon Active in collaboration with Nintendo, The Pokemon Company and their development partner Niantic. The game is expected to be released for Android and iOS mobile devices in 2018.",
