Very fun but by Aaawwwwhhhhhh on 2019/01/11 23:29 It is a very fun game and I was loving it until I had played for a few months, then I realized there wasn't much of a point. I feel like if you want this game to be as awesome as it could be you should add some more upgrades. If you play the game for a short period you will be stuck on the same level for a long time. I had been stuck on a certain level for like a month before I decided to play again and it caused me to lose all of my good placements that I had racked up. If you can add some more tokens or something that would make this game better. Also I don't get why all these people got mad because they didn't get an update that they wanted. Sometimes it takes months to put an update out so if you don't get it then there is nothing we can do about it but still let people know since people are really upset that they didn't get the update they wanted.",

In October 2016, United Pixelworkers announced that they had partnered with game publisher Humble Bundle to make the company's September Humble Monthly subscription service available on "Coin Master" mobile devices.",

The game has been featured by Apple, Google Play and the App Store in multiple regions to promote its release. The mobile version of the game was the "App of the Day" on December 17, 2015 in South American countries, including Argentina, Brazil and Paraguay as well as being featured as a free app in Belgium for two days in April 2016.",

Awesome game, but.. by Rachel ☐ on 2014/08/03 17:48 This is a great game!! I've been playing it for months now and I still have no words left! You can also do timed puzzles which is always super fun. However, I hate that you have to wait a certain amount of time before you can do another level. That's stupid and I really don't understand why anyone would want to do that!.",

On January 11th, 2018 United Pixelworkers announced via their official website that they had partnered with game publisher Bethesda Softworks to develop a new mobile game based on "The Elder Scrolls V: Skyrim". It is currently in development and will be viewed as a spin-off based on the "Coin Master" and "Coins & Curses" games. It is scheduled for 2019. The trailer was later released via Bethesda's official YouTube channel on February 12th, 2018.",
