The site has been called "worthless" by users such as Brianna Wu, an independent games programmer and activist. She was also specifically referencing the site's lack of any kind of real economy.[10] There have been multiple instances where money and donations were sent to ROBLOX asking for some kind of update on a game which never came to life. She has asked for the company to be more transparent in regards to this situation and stated that she will not give them any more money until they actually deliver something.

Rated 5 out of 5 by Anonymous from So fun! I love playing Roblox. It's very fun to play with friends and it's so much better than any other multiplayer game that I've ever played. If you are looking for a good multiplayer gaming experience this is the one to get.

In 2011 even mid-tier MMOs released subscription-based multiplayer games.[57] An example of this is Star Wars: The Old Republic, which charges \$15 per month or \$150 per year for access to its game content. World of Warcraft offers paid subscriptions through its Battle.net platform and has done since 2007.

I love Roblox, but sometimes it's hard to keep the game up and you seem to be forced to buy certain games. I think there should be a better way of getting new people in the game and not having so many bad games out there. Everyone is trying to make money off of Roblox, which is good, but I just wish that they could make more updates for the games and keep them working properly.

Roblox and other similar games are compared in the table below. Game Similarities and differences ROBLOX Developed by David Baszucki. It introduced the ability to make your own places on the map and interact with other players in the same world. [127] There The first game to have a currency, where you earn coins through playing games. [128] It also introduced the ability for users to create their own houses by using a similar furniture system like in ROBLOX but with better design options. Habbo Hotel FriendBook was released, which is very similar to ROBLOX's Chat and Group Chat system where you can chat with other users from all around the world. [129] Habbo Hotel FriendChat was released, which is very similar to ROBLOX's Private Chat system where you can chat with friends from all around the world. There In the game, you have to fill a bar up with XP in order to level up. [130] Parkour Paradise Introduced the ability for players to create their own maps and create their own games. [131] Mario8 You are able to work on your character's status through doing quests and gaining XP by doing it. [132] Toontown Online Introduced the first "clothes" system for a character, where you can buy outfits in order to personalize your character and make them look different than others.
