Here is where things get a little confusing but stick with me for a second and I'll link things together for you. When you get Robux gems and tokens from winning games, there is no value in the items you receive. There is no way to spend those items on anything in this game because they don't have any value. You can't sell them, you can't trade them for anything, they don't have in game money attached to them, etcetera.

Although many games on ROBLOX are free, some with "premium" features, others require money for certain features. One example of this is when the players can buy exclusive items that are only available for purchase through Builders Club membership.[53] Before March 2010, premium features were known as paid-for items. As of March 2010, all premium items in a game are referred to as "Builders Club Premium."

On December 20, 2016, a 12-year-old girl in Las Vegas named Arielle De La Rosa was banned from Roblox for what she believed was a "harassment campaign". She had created a character named Emily Roe that she used to bully another player online. The bullying campaign went on for over a year until it came to her parents' attention and they contacted Roblox about it. The harassment campaign violated the Child Online Privacy Protection Act (COPPA). Her parents encouraged her to create a character named "Emily Roe" and they hoped that this would help her get unbanned from Roblox.

On May 12, 2016, ROBLOX announced that its first paid product (ROBLOX Credit) would be released on the 7th of June 2016. Later on July 4, 2016, ROBLOX Credit will be released to a limited number of people and then will eventually be released to everyone with their first payment plan in July 2017. On September 15 it was available for all users to purchase via Paypal or Credits. On May 17, 2017, ROBLOX announced that starting on May 26, users who had never purchased or used ROBLOX Credit will have to purchase it using real money.

If you are a new player to Roblox then I would definitely recommend this game. This is because the game offers a lot of different features, and it even allows you to earn points from playing and completing different quests.
