Don't be a cheapskate when it comes to getting free robux for games. Some people will spend money on virtual goods, but most of the time it is more cost effective just to play the game and earn the prizes. For example, many games offer you a way to win points that can be converted into robux currency. You can play without spending a cent and still be able to get free robux.

A group of Roblox players petitioned against the aforementioned avatar update for over two years before it was actually implemented. The change, in which the user could add or remove tattoos to their avatar, would allow them to earn more money as these tattoos could be sold to other players. Since some controversial tattoos were associated with this feature, some users were vehemently against the implementation of this change.
