On December 20, 2016, a 12-year-old girl in Las Vegas named Arielle De La Rosa was banned from Roblox for what she believed was a "harassment campaign". She had created a character named Emily Roe that she used to bully another player online. The bullying campaign went on for over a year until it came to her parents' attention and they contacted Roblox about it. The harassment campaign violated the Child Online Privacy Protection Act (COPPA). Her parents encouraged her to create a character named "Emily Roe" and they hoped that this would help her get unbanned from Roblox.

Rated 5 out of 5 by Anonymous from I love this game! ROBLOX is the best game ever! I have been playing it for over 2 years and it has never got boring! There are over 1 million games on it so there is a huge variety to choose from. Rated 4 out of 5 by Anonymous from IMPROVES MY CREATIVE SKILLS This game is really fun you can be a teacher a doctor or even president with your friends or just by your self, this game teaches me lots of things like: building acting and more things that makes me get better at life.

Most games offer a buy page or at least some sort of store where you can buy Robux in exchange for real money. But there are numerous other ways to earn free robux that I will be showing how you can do them!

I also remember back when Minecraft was first released, how difficult it was to find anyone who was willing to play with you or help you if your work didn't work out; but I did find my lovely wonderful best friend through Roblox and we play together every single day. Even though there is no one on my friends list, I can still go into Roblox and join a game with other people. When I do that, my friend will always join me if she's in the same room. But even so, I never have any actual friends in-game because it becomes a very lonely experience as time progresses.

Due to its age, ROBLOX games often contain bugs and glitches; it can be difficult to get rid of these glitches. Some users have even taken to modifying the game engine to bypass some of these bugs, as well as creating their own games and uploading them to Roblox without permission.
