Rated 3 out of 5 by Anonymous from Neat Interesting game where you can build your own games. Not really too into it though to be honest. I'd suggest if you want something like this get Minecraft. Rated 5 out of 5 by Anonymous from I love roblox! Roblox is the best game ever! It has a lot of stuff to do, and there is always someone to play with.

Rated 4 out of 5 by Anonymous from Very enjoyable I love this game very much. Whenever I play it, it makes me feel like I'm in a fantasy land. It has a lot of fun games to play like the space adventures, castle defense and many others. I would say that recommended this game to anyone who likes to play on the computer or laptop or anything else with computers. Overall it's pretty good.

Rated 5 out of 5 by Anonymous from ROBLOX is the best game EVER There are so many games and places to go! You can create items to get robux, or you can get other games. Robux is used for buying more clothes and more games.

The game is not free of problems and some of them are still not being fixed. The profit issues that confront the company have been allocated to one person, Travis, who is given a large portion of the income. This is unfair as most players have less than \$5 in their account.

If you are an experienced player then this hack tool is going to be very useful for you. Although there are other ways, this method will give you the most bang for your buck. There are no complicated procedures or installation processes that will make using this tool difficult. All you need to do is start using the hack tools right away, and you will get a ton of advantages over the other players in the game.
