Rated 5 out of 5 by Anonymous from Awsome This game is awesome! It has so many things to do that are fun and creative. My favorite thing about it is that you can make your own games, and make them have whatever apperance you want. Also you can create things like your own characters and all kinds of other things too! Go try this game out today!

On December 10th 2016, ROBLOX released another update where players could join groups and wear clothes representing their group on their backpacks. However, yet again it was abused by many users who used the feature for monetary gain. As a result of this, ROBLOX removed the functionality and shut down the "ROBLOX Backpacks" section on their website. On May 19th 2017, ROBLOX updated its backpacks feature which allowed players to join groups.[77]

In July 2018, Roblox had allegedly banned several high-profile creators due to the fact they made violent games. Although Roblox claims users were banned "due to improper behaviour" nothing has been proven yet. The situation is occurring in many forums and websites. In July 2018, ROBLOX put out a statement saying that they did not ban any creators, but instead were involved in a legal dispute with the people who claimed to have been banned.[82] They later said that anyone who was banned for making offensive content was "part of an organized effort by bad actors to scam our users. We have no tolerance for this behavior and we're doing everything we can to protect our community."[83]

In 2012 the company sponsored an event at the Children's Museum of Pittsburgh to raise money for charity (Watsi). This was called Roblox Builders Club: Mutliplayer Tournament which raised over \$6,000 for charity water.
