In February 2017, ROBLOX had $3 million in revenue.[53] They had $9 million in revenue in May 2017.[54] In February 2018, ROBLOX had $16 million in revenue.[55] The list of minimum system requirements for running Roblox can be viewed here: System Requirements for Roblox (supports Intel HD Graphics 3rd generation or newer). All of the requirements listed are "minimum" requirements for running Roblox. Many people play Roblox on a computer with older graphics cards, or even without any GPU at all. Roblox can be run on many different operating systems, such as Windows, Mac OS X (Snow Leopard and below), and Linux (Ubuntu and below). It has also been confirmed that Linux can run ROBLOX.[56] The minimum system requirements for running ROBLOX on Linux are listed here: Minimum System Requirements for Running ROBLOX (supports OpenGL 1.0 of higher).

In 2018, the company announced that they would be adding new measures in an attempt to stop children from getting weapons and access to violent themes. These measures include making it mandatory for anyone under the age of 13 to provide proof of identity when signing up for a Roblox account. The report also stated that the company has a team of moderators who work with different groups such as parents and educators to monitor games and stop users from being able to access offensive content.

Some people just find it hard to see how many Robux they will actually make from their personal game development because the process is difficult and lengthy that the estimated amount of time it takes just for 1 point can be up to 6 months.

In December 2011, a lawsuit was filed against Roblox for copyright infringement, in which ROBLOX is accused of copying the entire codebase and game assets of "Infinity: The Quest to the End of the Universe". A cease and desist was also filed against ROBLOX in September 2012 by a head developer from the website Games Done Quick for using their copyrighted content without permission.

In early 2016, Roblox released an update that removed the "Customize" section from the User Interface. This introduced a new UI, which can be viewed here: Roblox Main Page. The new UI has many features that were previously built into the program such as a Store and a Help area.
