As of March 2017, Roblox has over 64 million users with 30 million monthly active users. In January 2017 it was announced that females now comprise more than 36% of its demographic, up from just 26% in 2015. Roblox has also had a steady increase in overall player count since 2015. In February 2017, Roblox launched a redesign of its user interface, designed to make it easier for new players to learn about the game and play it. Over 200,000 people signed up during the first week of the rebrand.

Mobile App: On September 5th, 2018, ROBLOX released their first official mobile app for iOS and Android devices. The app has various features such as the ability to customize avatars, the ability to chat with other Robloxians, even add people as friends. It also allows users to play games that they can't play on their website.

Roblox has been used by various organizations for training a variety of topics. The United States Army uses Roblox to train teenage soldiers that have joined their Cyber Patriot Program. The team's mission is to create, maintain, and operate constructive team-based activities online via the game "Roblox". Outside of that, Roblox has been used in courses for mathematics, English, science, and history.

Roblox is a very fun game platform for kids because they can create their own worlds and game scenarios with a lot of mini-games and activities such as playing sports and fighting monsters. Roblox also has many free platforms that have educational purposes which mostly focus on teaching kids about problem solving, teamwork, learning how to share with others and other social issues. The players' avatars can speak their created languages or standard English.

The first game to have a massive economy was Weebly Pages where they implemented a currency which included things such as energy, the ability to teleport to different locations, and more. There were about 4 things that were the most expensive at the time: The North Pole Room and Casino, Room of the Dead and Old Africa, and The Technology Lab and City. [119] Weebly Pages later went on to become Pikazo. [120]
