As a Roblox developer, you have the advantage of being able to learn new things from other people's games. You do not need to start from the scratch because there are thousands of ongoing games that you can play and then copy. There are many ways to make money on Roblox since it is a free app. You can make money by selling your skills as a developer, becoming an affiliate, making money through advertisements or charging for certain items in your game. You can also make Robux by doing roblox sponsored ads.

Rated 4 out of 5 by Anonymous from I love this game it is fun but it isent free because there are so many things to buy. They charge money but its worth it because there a lot of things to buy. Rated 4 out of 5 by Anonymous from Its great! I think ROBLOX is the best because it gives you a chance to do things you've always wanted to do like: create pizza,save people, and much more It gives you a fun time with your friends and family. Im sure you will love this game.

Once you get enough free robux, just go back to your game account and manage it and then you will be able to buy cool items or invest in some cool weapons as well.

The company has a 4-star rating on Glassdoor with an overall rating of 2.5 and 13 reviews. This is the highest rated tech company based in the United States that employs over 1000 people. The reviews on Glassdoor were posted between 2014 and 2016 and highlight some of Roblox's positives such as competitive salary and possible career advancement, but also negative aspects such as mediocre work-life balance, poor management and lack of training in some departments. The overall rating is 2.5 stars, the lowest rating given on the site and 5% of all companies with a rating of 3 or higher.

On October 8, 2017, they released a video showing large amounts of bugs and glitches in the game Frostbite. These include several bugs that allow for players to place guns and kill other players in mere seconds. ROBLOX said on their blog that this was due to an "incorrectly prepared prize package" but later stated that it was an error during a new update of their "Prototype Editor", which was supposed to have fixed the issues, but evidently did not.
