The chart below contains the top 5 accounts with the most amount of plays on ROBLOX in that year (as of December 31st). This chart is directly taken from ROBLOX's blog post for each respective year. ROBLOX games have made the news many times in the past. Below is a short list of some of them.Prior to 2011-2012, ROBLOX game developers were responsible for any known instances of hacking that happened in ROBLOX. There were also older instances where hackers had not yet discovered the community, but eventually did so, and started making exploits on their games that were very popular (such as "Hacker Escape"). Hackers also used an exploit to gain access to admin privileges on a game called The War Factory, which had over 500,000 concurrent players at once. When this was discovered, the hacker was immediately taken down by ROBLOX's staff.

ROBLOX makes it easy for users to participate in local multiplayer games. For example, a user can connect three iPads together and play the game Invader ZIM on them. There are also games where players connect their computers through WiFi and play online games with one another, such as Minecraft. You can also use RoomBuddy to track where your room members are located, so you don't have to worry about them leaving your house unsupervised.

The Free Robux promo codes for ROBLOX are offered by popular developers, companies and game developers or designers when they have an effective way of giving them value. These codes are simply provided as a way for them to make more money because they can get different types of profits. This will allow them to make more money for the different games that they have created and the ones that they will create in the future. They also want their codes to be used so many times.

ROBLOX's Terms of Service has many loopholes which allows users to get away with nearly anything, such as selling products that have been stolen from other users or using bots for their own gain. The system is also very inconsistent in how it deals with complaints and bans. One of the more infamous examples is user "Sephiroth", who had been banned for attempting to distribute his game, "TitanMC". The ban was eventually lifted, and the account became widely regarded as a joke.[11]
