In December 2016, Roblox changed its website design again.[64] This can be viewed here: Roblox Main Page. An official subreddit was created in January 2012 by user pb_bacon.[65] It has since grown to have over 3,000 subscribers (as of May 2018) and 338 pages (as of May 2018).

Once you get enough free robux, just go back to your game account and manage it and then you will be able to buy cool items or invest in some cool weapons as well.

On September 3, 2014 (8:00 PM), ROBLOX released a new website design and many changes to the graphic. The new design is much cleaner and easier to navigate. It also includes more screenshots of games, more user-friendly forums, better administration tools to keep track of groups and permissions for Moderators/Administrators, improved support for security questions/passwords, better notices on who has access to what information on the site, and improved support for email notifications.

In 2011, ROBLOX explored new territory by releasing a single player/non-multiplayer title called 'Toy Defense'. Other notable games released around this time were "Dragon Knights", "Ancient Amulet", and the new version of "Capture the Flag" titled 'Capture the Flag 2'. On February 24, 2012 ROBLOX released another downloadable game titled "Rage Parking Simulator 2012". The success of Rage Parking Simulator 2012 (Rage for short) led to the creation of more downloadable games including, but not limited to: "Hoverboard Racing", "Build to Survive", and "Mech Warfare". On March 15, 2015 ROBLOX ported Rage to mobile devices on Google Play.

Roblox was launched as a free download with the name of ROBLOX Studio on April 15, 2005. In addition to the free version, Roblox also has a paid version, which was inspired by Roblox Studio's success. A Robux shop has been available since December 2007 (since December 2011 this can no longer be accessed unless you have purchased premium membership), for US\$4.95 (US\$5) per month or \$49.
