Rated 3 out of 5 by Anonymous from This game is one of my favorites This game is one of my favorite of all time, but it takes up more space than other games. Rated 2 out of 5 by Anonymous from It's ok It's okay but it's not the best thing that could be made. Rated 1 out of 5 by Anonymous from This game is bad. If u can't pay for it they kick u out. I had it on my birthday. It was good but then I got kicked out because I could not pay for it.

19. The only real problem with roblox is that there is no way to make a person get out of the main menu like one can on minecraft. 20. I love Roblox! I am getting a new headset for my new laptop and I'm so excited! This is the only game that my parents are okay with me playing. They know how to work it and are able to keep an eye on my account. It's safe. 21. Funny

Floating Balls! I have noticed that when you are at a group world and getting on people's chat heads they should be able to fly around like on normal. We need this because there are so many times where such a little bug would make these people mad if they were floating anywhere near them because they would not know what to say. Even though there are thousands of people in the group there should be more room for them to float. I think that there should be more than one chat head. I have seen people report this bug but it has not been fixed and I really want to see it fixed.
