On February 29th 2018 there was a large DDOS attack on roblox which left most of the games not loading and many users getting kicked from games due to it. On March 1st 2018 the company announced that a hacker had gained access into their database and multiple users personal information was leaked mainly password, username and email addresses.

Roblox was launched as a free download with the name of ROBLOX Studio on April 15, 2005. In addition to the free version, Roblox also has a paid version, which was inspired by Roblox Studio's success. A Robux shop has been available since December 2007 (since December 2011 this can no longer be accessed unless you have purchased premium membership), for US\$4.95 (US\$5) per month or \$49.

In November 2017, ROBLOX released their third YouTube channel called "ROBLOX Explorers". This channel features a series of Epic Adventures which are adventures that will feature a group of friends going on all sorts of amazing adventures. These will include other famous gamers and YouTubers. In February 2018, ROBLOX released their fourth YouTube channel called "Roblox Top Model 5" which features season 5 of the same show as Roblox Top Model. Also that month they released a collaboration with the popular web comic Homestuck which is called Homestuck Adventure Game. On March 6, 2018, ROBLOX released their fifth YouTube channel called "Roblox Top Model 6". This one will feature the same show as Roblox Top Model and will be aired on a weekly basis.

The free robux promo codes for roblox are being used with increasing regularity. The promotion of these types of codes is also increasing the number of players that are using it. The codes are also being used to play a lot of the most popular games on the site, especially games that are from veteran developers.

Don't be a cheapskate when it comes to getting free robux for games. Some people will spend money on virtual goods, but most of the time it is more cost effective just to play the game and earn the prizes. For example, many games offer you a way to win points that can be converted into robux currency. You can play without spending a cent and still be able to get free robux.
