In 2014, ROBLOX created a partnership with the National Football League (NFL) that allowed users to make digital representations of each NFL team and play Madden NFL in-game tournaments. This has created an online community for Madden fans to play against other players across the United States and Canada. On April 30th 2018 ROBLOX released a new version of its app called Ava. Ava serves to help players craft more interesting games from their favorite video games and cartoons. ROBLOX is the only stop-motion animated game where players can make their own characters in a game and then animate them. Ava has features such as a desktop workspace, a top toolbar that allows users to interact with other Ava users, and a snap menu that allows users to snap any two blocks together to create new shapes or new objects.

Rated 5 out of 5 by Anonymous from My favorite game I love roblox. It is fun and it can help with school work. It's a bit pricey but worth it.  
Rated 5 out of 5 by Anonymous from love this game i love this game! it's really good for my age group, except the fact that you have to pay 30\$ or so to get wings which aren't even that good to begin with! they don't even fly that great, plus they only last for about 3 minutes anyway... other than that it's a great game!

ROBLOX released the "Achievements" update on June 20, 2017. This update introduced many new features for games, such as achievements, friends-lists, and more. Players can earn rewards by accomplishing certain tasks within their games and taking a screenshot to get them.

Roblox has been nominated for an O149 Award at Inked Awards 2014. This was for the Developer of the Year category. On January 9, 2018, Roblox won the People's Choice award in the Family category for the 9th Annual Webby Awards.
