ROBLOX has several forums for various topics such as community concerns about issues that affect everyone and questions related to aspects of the game. It also has forums for discussion of specific games and topics. The game-specific forums are for posts about the game, and the player-to-player forums are for general discussion.

There is a rare item that can be found in some games called "the orb" which is a blue orb looking like thing. It comes from a sound that the game creator puts in the game and if you get it, it can be used as an attack to kill the enemy with or to do other stuff like make you invincible. The orb is very rare to get so it is not really good to use if you do not want to waste the item, but I think that this item should be more common, so we don't have to spend too many robux on it.

Rated 5 out of 5 by Anonymous from ROBLOX is the best game EVER There are so many games and places to go! You can create items to get robux, or you can get other games. Robux is used for buying more clothes and more games.

In Roblox, players can create an avatar in whatever shape, form, or color they wish (as long as it's not offensive). But before they can do so, they must choose from a variety of different body parts, heads, legs, arms, etc. There are also many different hairstyles to choose from. There is a large variety of clothing options to choose from, each with its own effect.
