Make an AMA thing just like Reddit but for developers so we can ask them questions and they will answer them. This will give players some more insight on why stuff isn't in game yet or why stuff is in game. All you have to do is just follow the instructions provided in order to generate unlimited Robux using the hack tool that it comes with. It is very easy and straightforward. The hack should then let out a huge amount of robux that you can use to purchase items with as well as invest in weapons for your character if you wish.
