ROBLOX released a new website design on September 17, 2018 (9:00 AM). This update changed many things to help revamp the community and also for users. It includes a revamped chat, which is shown on the right. This update added many new features such as "Continuous Games" and "Better Chat". It also added badges for various events.

On February 23, 2012, ROBLOX revealed that they had hired 241 developers to work for the company. On March 28, 2013, ROBLOX revealed that they had hired an additional 130 developers to work for the company. On September 3, 2014, ROBLOX announced that they had hired over 800 employees in total. ROBLOX held a previously-unannounced hiring day on June 23, 2012 where they hired over 50 employees. At the end of 2012, ROBLOX announced that the company was "growing faster than ever". In November 2011, the website oDesk.com had more than 100 "top experts" from ROBLOX who were ready to provide assistance and tips to anyone who needed them. The site has since been shut down due to their repetitive scamming of people on oDesk.com using ROBLOX as a platform for money making. On March 28, 2013, ROBLOX announced that they had created a new partnership with GameSys on top of their cooperation with Hintons Online Group Inc.

The next game to have a monetary currency was Habbo Hotel where they introduced Habbo Coins which are used for buying furniture, clothing, and accessories. ROBLOX is the first major 3D based social network game. It would later be followed up by games like There in late 2015 and Toontown Online on September 26th of 2007. [118]

In April 2018, Roblox announced that it would be taking steps to address issues such as hate speech and violence. They issued a statement saying they would be working with the National Center for Missing and Exploited Children (NCMEC) to remove violent content. They also stated that they would be adding new policies and processes that they will be using to monitor issues with moderation.
