There are a lot of users, Robloxian's who do this and it is not really good that their voice is blocked as well because it is extremely annoying when you don't know what they are saying to you. This happens to me all the time and I think this needs to be fixed.

If you are a gamer and want to get free robux, the best thing to do is complete surveys. It's pretty simple – all you have to do is answer a few questions about your gaming habits. For every survey answer, you'll be given points. You can then redeem those points for free robux!

Open an existing account, or create a new one. Sign in with your username and password. Choose the "Cash" button in the top right corner of the game screen. Go to "Catalog", then choose "Purchase." Then, search for "Free Builder's Club" and choose that item with your Free Roblox Gift Card.

According to a report by SuperData Research, Roblox had an estimated 5.7 million monthly active users in 2018. The report states that their statistics were based on the call records of around 1 million Android users who are under 13 years old. In their report, the company estimated that 6% of their users were under 12 years old. The reported monthly active users also included those who played Roblox on a daily basis. Their estimate was 14% and they based this on the number of days that players spend playing Roblox on any day. In addition, the report also stated that 32% of their players were in North America and 29% were in Europe.

On November 1, 2015, Roblox was officially sued for copyright infringement by Joshua Moskowitz, also known as "Dr. J". The lawsuit was filed in Los Angeles Superior Court and details how parts of "The Maze Runner" were used to create a ROBLOX game called "The Maze." The lawsuit alleges that Dr. J is notifying every author use of his game engine to give them the opportunity to either take down their games or have a section added to his website.
