On March 22, 2018, it was announced that it's been awarded a Guinness World Record for being the most popular game creation platform. On June 25, 2018, Roblox released a statement concerning maximum levels of moderation following controversy surrounding "Miner's Haven" as well as other role-playing games.

On March 13th, 2018 the ROBLOX website was temporarily shut down due to multiple exploits on the site. With over 200 million players this has become one of the biggest DDOS attacks in history. The site came back online about 30 minutes later.

- The idea of having a game where you can make your own avatar and decorate your own house, it's pretty cool but it makes the game even more repetitive.

Rated 4 out of 5 by Anonymous from Very enjoyable I love this game very much. Whenever I play it, it makes me feel like I'm in a fantasy land. It has a lot of fun games to play like the space adventures, castle defense and many others. I would say that recommended this game to anyone who likes to play on the computer or laptop or anything else with computers. Overall it's pretty good.

In 2010, ROBLOX again added games such as: 'Mech', 'Space Age', 'Pirate Invasion' and more. The game 'Brothers in Arms' was also released on January 23, 2010. The game 'Brothers in Arms' was a multiplayer online shooter with three different game styles: Team Deathmatch, Free-for-All and Capture the Flag. On March 11, 2010 ROBLOX released the first game that successfully made it to Steam titled "Guitar Hero For ROBLOX". The success of "Guitar Hero for ROBLOX" led ROBLOX to start working on their own downloadable games.
