On January 24, 2010, ROBLOX released a new version 3 logo to replace the one that they had been using since 2008. This new logo also included a small R inside a circle which represents ROBLOX's focus on imagination and creativity.

ROBLOX has been criticized for being a scam. This is because many users have claimed that they are scammed by ROBLOX. One of these scams was when a user named "Brianna" was falsely accused of selling copied items, which caused the price of an item to go from \$10-\$20 to \$50-\$100 overnight.[50]

In a response, Roblox stated that the employee who did this was dismissed after a thorough investigation and that they are committed to making improvements to their workplace environment. Chris Misner also stated that she suffered retaliation from other Roblox employees for contacting the media and posting about her experiences with the company.
