In 2018, ROBLOX announced that it will be taking a chunk of its earnings and give it to the developers among them. Some developers are making over \$5,000 USD per month using ROBLOX. Roblox has had two cases with Microsoft. Roblox was originally banned from Xbox Live due to the game running advertisements which violated Microsoft's Terms of Service by being inappropriate for children. The ads contained anime-style nudity and extreme gore. This was later changed however when Roblox reached an agreement with Xbox Live regarding the matter between them.

In November 2017, ROBLOX released their third YouTube channel called "ROBLOX Explorers". This channel features a series of Epic Adventures which are adventures that will feature a group of friends going on all sorts of amazing adventures. These will include other famous gamers and YouTubers. In February 2018, ROBLOX released their fourth YouTube channel called "Roblox Top Model 5" which features season 5 of the same show as Roblox Top Model. Also that month they released a collaboration with the popular web comic Homestuck which is called Homestuck Adventure Game. On March 6, 2018, ROBLOX released their fifth YouTube channel called "Roblox Top Model 6". This one will feature the same show as Roblox Top Model and will be aired on a weekly basis.

It's hard for players who are older or younger (because of the increasing costs) to get some points because it takes a lot of effort just for 1 point. Some fields require money that most players cannot pay for. You can easily see this in the game's world:

This should be more than enough for anyone looking for some ways for getting free robux on roblox from now on. This is definitely one of the best options that you have in order to get free robux on roblox right away.
