The roblox fly hack is not an entirely trackable game. It has been used to cheat on the game, blow up your inventory with limitless weapons and even get the creator's account. The game uses a form of tracking that makes it possible for people to use loopholes in the system and also detect when someone is using these glitches. The creators of the game have done research into ways to combat this issue, however, no viable solution has been found thus far.

Rated 5 out of 5 by Anonymous from I love this game! I love this game. It has a lot of new additions that make it so much better than the past. The only reason why my great reviews are ending is because roblox takes away your reviews at some point even if you've been playing for 2 years and it makes me sad!

Rated 4 out of 5 by Anonymous from fun! I like roblox because you can be what you want to be! choose from many different jobs, sheriff, doctor, or president. I love this game! Rated 4 out of 5 by Anonymous from It's a fun game I would rate the game a 5 but there are way too many ads!!! Rated 4 out of 5 by Anonymous from Awesome!! You should get this app!! It's cool because you can make your own games with other people on it.
