On May 14th, 2014 ROBLOX released Builder's Club which costs \$7.99 a month and required players to have it to use in place of the credits system. They later made improvements to the Builder's Club and decided to offer it for free in 2016. On April 25th, 2016, the ROBLOX website was updated to version 2.0. On September 28th 2016, the ROBLOX website was updated to version 3.0 and it had a new design with new features.

There are many ways to earn free robux on roblox. You can earn robux by roaming around the map and collecting coins or playing some of our newer games. Playing any game will grant a player with a certain amount of free robux based on their gameplay. For example, one reason is that every hour spent in airplane mode earns 500 Robux; people can also play fun games for free Robux using our keyboard (It's just as easy!).

This is not an open world game, each world contains its own mini-map that shows the player where he or she can go and where they cannot go. No one will know you're there if you stay hidden. This means that if you don't want someone to find something in your inventory, you have a location to hide it.

ROBLOX has banned thousands of accounts, usually for viral videos made by "trolls" or people who want to annoy other users/admins. Most of the bans these users receive are handed out by administrators but every once in a while a user will get banned for a "troll" video or similar reason. Some are also apparently banned because they made potentially offensive comments in the chatbox, not for any type of post or action that breaks the TOS.

Rated 4 out of 5 by Anonymous from Great Game RoBlox is a pretty good game. You can build stuff and play games for free. It's really fun!  
Rated 4 out of 5 by Anonymous from This game was good Although it was kind of expensive, it still wasn't that bad. It let me be creative and let me be the hero.
