On February 11, 2017, ROBLOX announced that they would be suing the website of DinoGaming Network for copyright infringement.[5] It was revealed that DinoGaming Network was using ROBLOX models with permission from their owners. However, DinoGaming's policy on asking for permission to use a model is so loose that any user could have given them permission without knowing it. On March 7th, 2016 the lawsuit ended with a settlement and \$7,500 awarded to ROBLOX. [6]

The more money you have, the easier it is for you to get free robux for your account. If your account is filled with robux, then you do not have to worry about spending too much time searching for different websites that provide this kind of service. Since there are so many ways available, anyone interested in getting free robux will never have a problem doing so. As long as you stay active with your account and do things that other users are interested in, this goal should be easy to reach within a few days according to many reviewers.

In February 2017, ROBLOX had \$3 million in revenue.[53] They had \$9 million in revenue in May 2017.[54] In February 2018, ROBLOX had \$16 million in revenue.[55] The list of minimum system requirements for running Roblox can be viewed here: System Requirements for Roblox (supports Intel HD Graphics 3rd generation or newer). All of the requirements listed are "minimum" requirements for running Roblox. Many people play Roblox on a computer with older graphics cards, or even without any GPU at all. Roblox can be run on many different operating systems, such as Windows, Mac OS X (Snow Leopard and below), and Linux (Ubuntu and below). It has also been confirmed that Linux can run ROBLOX.[56] The minimum system requirements for running ROBLOX on Linux are listed here: Minimum System Requirements for Running ROBLOX (supports OpenGL 1.0 or higher).

Although many games on ROBLOX are free, some with "premium" features, others require money for certain features. One example of this is when the players can buy exclusive items that are only available for purchase through Builders Club membership.[53] Before March 2010, premium features were known as paid-for items. As of March 2010, all premium items in a game are referred to as "Builders Club Premium."

What kind of games does roblox provide? How do people play them? What are some other things they can do in the game? This article will answer these questions! I hope you enjoy reading it as much as I enjoyed writing it.
