ROBLOX has created a number of recurring events over the years. On October 23, 2012 Robotcrab had announced a new way for Roblox users to make money by selling virtual items in the Roblox catalog: the "Builders Club". Players use Roblox's in-game currency, called ROBUX, to purchase items which they can sell to other players.

In Roblox, players can create an avatar in whatever shape, form, or color they wish (as long as it's not offensive). But before they can do so, they must choose from a variety of different body parts, heads, legs, arms, etc. There are also many different hairstyles to choose from. There is a large variety of clothing options to choose from, each with its own effect.

Robux is a great currency, but there are some concerns about it, so here are the concerns about Robux that have been said through forums and complaints. Robux are very difficult to obtain in free roam as bumping players often prevents them from getting any, but it can be easily obtained at gta 5 when you go to "buy weapon" then click on the option on top where you can buy bonuses like point boost, etc.

On June 7th, 2012 ROBLOX launches "ROBLOX Inc." On September 8th, 2012 ROBLOX launches "ROBLOX Corporation". On November 17th, 2012 ROBLOX and Hintons Online Group Inc. announce that they will make a \$1 million donation to the Myeloma Research Foundation. On December 3rd, 2012, a new trailer was released that has KidScape in it. On December 11th, 2012, a new trading system was added. On December 19th, 2012 a new advertisement of KidScape was released. On February 25th, 2013 another KidScape trailer was released. On March 22nd, 2013 a new game called "PopularMMOS Sandbox" was released.

This is definitely one of the best ways for anyone to get free robux on roblox, as this has always worked great in the past. I would highly recommend using this method if it is something that interests you!
