Players could also get banned by moderators for sending unwanted messages to other users. A moderator could then ban a player's account for spamming other accounts or trying to bypass chat filters. There are other forms of trolling which can be found on Roblox today.

Reddit - There are quite a few forums and subreddits for Roblox, but the one I personally recommend is /r/roblox. It got started years ago and continues to be one of the best places to go on Reddit when it comes to Roblox information. They have a subreddit attached to each game, so you can always find information right where you want it.

The roblox fly hack is not an entirely trackable game. It has been used to cheat on the game, blow up your inventory with limitless weapons and even get the creator's account. The game uses a form of tracking that makes it possible for people to use loopholes in the system and also detect when someone is using these glitches. The creators of the game have done research into ways to combat this issue, however, no viable solution has been found thus far.

Roblox has been compared to "Minecraft" due to its similar graphics, game building etc. One of the most notable comparisons is the "Roblox Topia" video which can be found on YouTube. This is an instructional video on how to make popular "Minecraft" related structures in ROBLOX.
