On July 11, 2018, the "Custom Games" section of the website was temporarily removed due to a bug that caused players to be unable to see their own creations. The section was returned later that day.

On March 13th, 2019, ROBLOX announced that they were working on a new anti-fraud system called "Real Account Verification." This system verifies account information by sending a link from one of their partners to the user's email address. For this new security feature, ROBLOX will be using the services of Verified Identity Partners. The system is expected to be completed in late 2019. [30]

ROBLOX Studio 2.0: On December 28th 2018, ROBLOX announced a new version of their Studio known as "Studio 2.0". The company claims that it is meant to be a new version of their previous releases which contains many improvements and better tools. It also allows users to earn cash if they choose to sell their items in the catalog.[91] On January 1st, 2019, ROBLOX updated the game and added a feature which allowed users to get an early access for Studio 2.0.

On December 21st, 2011, the game "Infinity: The Quest to the End of the Universe" was released by a company called "Awaited Studios". After this game was released, it came to light that much of its code was being used in ROBLOX's main source code.

This generator tool has been tested by thousands of players in the past and has always worked well for them. This means that you should have no trouble using it at all. This is a very reliable way for anyone to get free robux on roblox from now on if that is something that interests you!
