Users have criticized Coin Master for its monotony and reliance on making users pay real money to progress in the game. A user review on iTunes complains that it is "just another collect-a-thon with a coin motif". The developer of Coin Master has countered this criticism by stating that they do not believe in "pay to win" video games and hope to provide their users with a fun and engaging experience.",

In June 2018 Moon Active announced that they had signed an agreement with Warner Bros Entertainment to expand upon Coin Master through multiple video game projects including a new mobile title, which was announced to be released as "Coin Master 4: DC's Justice League".",

Fun by lizzykitty77 on 2018/06/14 03:59 This game is fun and addictive you can win prizes and get free coins but there are to many adds. It takes a long time just to level up and get coins. But otherwise it's a great game!",

The game averages over 1,250 reviews with a rating between 4.5 stars to 4.8 stars across all platforms according to Google Play's and Apple's App Stores. The game's graphics are generally of an attractive and colorful nature. The characters featured in the game, while themed around coins, have been described as similar to "a kid's metal-head toys", with unusual characteristics that match the gameplay. The packaging of individual coin cards have also been described as "retro" in design.",

I'm love it by Bella fox on 2018/05/17 05:44 This is so fun for me I play it every day and I love it thank you for making such a wonderful game just one question though. They say we need 2,000 coins to upgrade but we only get 10 coins and if we spin 20 times thats the max 200 coins so how can we get more than that? Even though they have a lot of things have no coin is there any way you can make everything cost less coins? But besides that I think this game is great and fun to play with friends. I love it and I recommend it to anyone who likes playing fun games.",
