Chris Misner also stated that she suffered retaliation from other Roblox employees for contacting the media and posting about her experiences with the company.

Roblox is involved in a lawsuit concerning child safety on the Internet. On September 17, 2010, two brothers filed a lawsuit in the United States District Court, Southern District of California against Roblox Corporation and its founder and CEO David Baszucki. The suit alleged that the defendants failed to protect their nine- and thirteen-year-old sons from inappropriate content on Roblox that resulted in emotional distress. The suit also accuses the company of negligence for failure to monitor potentially harmful content and failure to institute parental monitoring measures. The case is known as "McDonald v. Roblox".
