Great game - one issue by nathaniel lewis on 2013/09/19 02:08 This is a great game, the puzzles are challenging, and the controls are very clean. My only problem is that when playing through the puzzles you occasionally need to hit a certain combination of tiles to continue. The problem is that those combos vary from level to level depending on your progress, so I end up having to restart my phone if i want to get back into the puzzle where I left off. A little frustrating, but still a great game.",
