The 2012 April Fools incident was an incident that occurred on April 1, 2012, that involved the compromising of the Roblox website which concluded on the website being taken offline for a brief period of time. While there was no actual hacking of the website, it was just a breach with the Roblox admin panel on the testing sites, however the incident was widely referred to as such during, and ...

This wider range of interaction is supported by more vehicle types, which was inevitable for a sequel, including dirt bikes which should be great fun for urban exploration. Melee combat is updated too with customizable weapons, though early footage of Marcus using a billiard ball attached to a rope is a little silly.
