In November 2017, ROBLOX released their third YouTube channel called "ROBLOX Explorers". This channel features a series of Epic Adventures which are adventures that will feature a group of friends going on all sorts of amazing adventures. These will include other famous gamers and YouTubers. In February 2018, ROBLOX released their fourth YouTube channel called "Roblox Top Model 5" which features season 5 of the same show as Roblox Top Model. Also that month they released a collaboration with the popular web comic Homestuck which is called Homestuck Adventure Game. On March 6, 2018, ROBLOX released their fifth YouTube channel called "Roblox Top Model 6". This one will feature the same show as Roblox Top Model and will be aired on a weekly basis.

ROBLOX has also been criticised for its lack of badge incentives for participating in games, or even logging into the site at all. ROBLOX models these badges and credit prizes after the badges found in games like Journey, where a lot of doing nothing gives you a lot of money, which is possibly a reason some players don't log in. ROBLOX also has very few quests to complete that reward badges/credits.

On May 31st, 2017, ROBLOX announced that they would be adding the ability to purchase ROBLOX Points via PayPal, which will allow for them to offer virtual currency for in-game items and ROBUX purchases.[17] The announcement was made on the official blog.

On November 7, 2017, Roblox released their first real let's play channel, but it only lasted a couple of months before Roblox cancelled its plans for let's play channels. It stars RandomPlayer as he plays a wide variety of games on ROBLOX, including many popular games such as Angry Birds and Zombieland.
