Most YouTube videos will give you a link that will provide you with a free Robux reward. The amount depends on how many views the video has and the number of subscribers the user has. For example, if an account has over 1 million subscribers, they'll give an extra 2,000 robux for any views that would put them over 10,000,000 views; however this only applies before rewards are scaled down.

roblox is one of the most popular games out there on the internet for people aged 7-12, and it is pretty much all about building things with blocks in a 3D world. This means it is a game that requires strategy, thinking outside the box and creativity in order to have a hope at succeeding. roblox has been around for 7 years and has over 80 million monthly active users, making it one of the most popular games out there in terms of both quality and quantity.

According to a report by "The Guardian", Roblox has been criticized for being a "digital playground" that involves more than 50% of their users under the age of 18. The report states that there are over 200 million players on Roblox who have access to weapons and themes that include sexual references and violence. They also said that Roblox emphasizes the idea of user privacy which can be seen in their games by having players invite other users via email or text messages.

Builders Club Premium can be used in games greatly increasing the amount of Robux and/or XP a player earns by a given amount. If used, then Builder's Club is required to play those games. There are two types of premium features: content premium and currency premium. Content Premiums typically involves a single item or feature that changes the game mechanic, such as more life points and/or more room to build, or increased maximum health for monsters. Currency Premiums usually involve the addition of new items to the game that are only available through favorable conditions (for example, allowing players to purchase a specific item for Robux). Some Currency Premiums can also require membership in Builders Club.
